STATEMENT OF PROBABLE CAUSE

I, Marcus D. Legget, being duly sworn, hereby depose and state as follows:

1. Your affiant is a Deportation Officer with United States Immigration and Customs Enforcement (ICE). I have learned from direct participation in the investigation and from the reports and communications of other agents and officers the facts recited herein.
2. On June 12, 2013, Mario Lopez Guerrero was arrested by the Phoenix Police Department and booked into the Maricopa County Jail (MCJ) on local charges. While incarcerated at the MCJ, Lopez Guerrero was examined by ICE Officer J. Ritchie who determined Lopez Guerrero to be a citizen of Mexico, illegally present in the United States. On the same date, an immigration detainer was lodged with the county jail. On September 25, 2017, Lopez Guerrero was released from the Arizona Department of Corrections and transported to the Phoenix ICE office for further investigation and processing. Lopez Guerrero was held in administrative custody until his criminal and immigration records could be obtained and his identity confirmed.
3. Immigration history checks revealed Mario Lopez Guerrero to be a citizen of Mexico and a previously deported alien. Lopez Guerrero was removed from the United States to Mexico through Nogales, Arizona, on or about February 3, 2011, pursuant to an order of removal issued by an immigration judge. There is no record of Lopez Guerrero in any Department of Homeland Security database to suggest that he obtained permission from the Secretary of the Department of Homeland Security to

return to the United States after his removal. Lopez Guerrero's immigration history was matched to him by electronic fingerprint comparison.

4. Criminal history checks revealed that Mario Lopez Guerrero was convicted of Misconduct Involving Weapons, a felony, on December 27, 2010, in the Superior Court of Arizona, Maricopa County. Lopez Guerrero was sentenced to eighteen (18) months' probation. Lopez Guerrero's criminal history was matched to him by electronic fingerprint comparison
5. On September 26, 2017, Mario Lopez Guerrero was advised of his constitutional rights. Lopez Guerrero freely and willingly agreed to provide a statement under oath. Lopez Guerrero stated that his true and complete name is Mario Baltazar Lopez Guerrero and that he is a citizen of Mexico. Lopez Guerrero stated that he illegally entered the United States in 2013, through Nogales, Sonora. Lopez Guerrero further stated that he had been removed from the United States to Mexico and did not receive permission from the Secretary of the Department of Homeland Security to re-enter the United States after his removal.
6. For these reasons, this affiant submits that there is probable cause to believe that on or about June 12, 2013, Mario Lopez Guerrero, an alien, was found in the United States of America at or near Phoenix, in the District of Arizona, after having been previously denied admission, excluded, deported, and removed from the United States at Nogales, Arizona, on or about February 3, 2011, and not having obtained the express consent of the Secretary of the Department of Homeland Security to reapply for

admission thereto; in violation of Title 8, United States Code, Section 1326(a), and enhanced by (b)(1).
